- Provide support for SafeNet's own security products and service: HSM, Luna, HA2000, Protectdrive and others

Resolves technology support issues for employees which may require desk-side assistance.

- Present security status reports and project status to management.
- Performs research and development on Information Security related topics.
- Promote security awareness in the organization.
- Other duties as assigned

We offer competitive salaries, an excellent benefits package, telecommuting opportunities for some positions and a beautiful corporate headquarters overseeing the Bush River in Harford County, Maryland.

On site, our employees can take time from their busy days and unwind in our fitness center. At no cost to our employees, our fitness center includes a nice selection of stationary bikes, treadmills, elliptical machines and an all purpose multi-station gym.

Our 3rd floor break room is an ideal place to spend your lunch time with other co-workers. Fully equipped kitchen appliances and an ample selection of vending choices will give you a variety of options with lunches and dinners. A cable TV, air hockey and ping pong tables will unfortunately make your lunch break go by very fast. We are minutes away from many restaurants and “lunch places” and a few miles down the road from I-95.

To apply for this position please send your resume to humanresources@safenet-inc.com
