**Skills:**

- Strong analytical skills with the ability to manage multiple issues at one time.
- Strategic thinker with long term vision for quality processes and quality systems development
- Strong verbal, written and interpersonal communication skills.
- Ability to work in a fast paced environment
- Must be a team player

**Licensures, Certifications:**

- Six Sigma (GreenBelt)
- Certified Quality Process Analyst

**Essential Duties & Responsibilities include, but are not limited to the following:**

Process and Metrics

- Reviews current departmental processes
- Interface with department process owners on process improvement initiatives
- Assist quality teams in resolution of internal quality issues
- Establishes quality metrics throughout the corporation
- Proactively formulates strategic quality improvement plans
- Creation and delivery of process quality training throughout global organization

We offer competitive salaries, an excellent benefits package, telecommuting opportunities for some positions and a beautiful corporate headquarters overseeing the Bush River in Harford County, Maryland.

On site, our employees can take time from their busy days and unwind in our fitness center. At no cost to our employees, our fitness center includes a nice selection of stationary bikes, treadmills, elliptical machines and an all purpose multi-station gym.

Our 3<sup>rd</sup> floor break room is an ideal place to spend your lunch time with other co-workers. Fully equipped kitchen appliances and an ample selection of vending choices will give you a variety of options with lunches and dinners. A cable TV, air hockey and ping pong tables will unfortunately make your lunch break go by very fast. We are minutes away from many restaurants and “lunch places” and a few miles down the road from I-95.
